

KING OCEAN SERVICES

To All Our Valued Customers:

Hurricane Irma has passed South Florida and for the most part the East Coast suffered minor damages and power outages. Our thoughts and prayers continue to be with those who have suffered major or total losses from Irma.

Damage assessments are currently under way and once the all clear has been given operations will start. Vessel schedules are expected to be impacted once confirmed schedules will be provided.

Please be patient as we get operations and staff back out to work when the conditions are safe.
